

## Star Song

Every star  
Shines so bright  
And they make  
Their own light  
They are huge  
And very far  
They're our stars.

They're different sizes  
And different colors  
Red is hot,  
But yellow's hotter  
Blue's the hottest  
Kind by far  
Of all the stars  
They're our stars.
